BELMONT COUNTY FAIR

PEDAL TRACTOR PULL

REGISTRATION 10:30 A.M. • PULL TIME 11:30 A.M.

SUPERINTENDENTS

Warrick, Gust, Hull

GENERAL RULES FOR PEDAL TRACTOR PULLING

1. The event will be for children ages 4-12 years old
2. Each participant must register prior to the starting of their age group.
3. Rules of Conduct by Participants
 - A. The child may not place their hand on the tractor tire at any time during their pull to help increase their pulling distance.
 - B. The child may not place one or both feet on the ground to push their tractor forward.
 - C. There can be no loss of forward pressure. In other words, they can not hesitate or never jerk the equipment.
 - D. The child will always remain in the seat. If a contestant lifts off the seat, the pull will be stopped, and their distance will be measured to that point.
 - E. All participants must be wearing shoes, no bare feet (we would suggest tie or velcro shoes that cover the foot and give traction to the pedal.)
4. Any arguing with the track officials by a contestant, parent or guardian will not be allowed and could result in disqualification of the contestant. We will display sportsmanship in all cases, and should that not be possible, the offender will be asked to leave. No one is perfect but we will handle things in the proper way.
5. All rulings by track officials are final and may supersede any of the above rules. In the case of need, a sled may be reweighted, and the group may start over.

For more information, visit: www.buckeyepedalpullers.com

Find us on Facebook at Buckeye State Sanctioned Kiddy/Adult Tractor Pulling

These are general rules, and each puller may have slight variations. Yet again in general, these are the rules one should see at state and national competition.

TROPHIES

Trophies will be awarded to the top three places in each age group. Ribbons will be awarded to all contestants.

at Main Gate Stage

Jenny has been participating in line dance for over 30 years and teaching for over 25 years. Jenny attends multiple line dance workshops around the United States to keep on top of the new dance trends and guest teach at a few. Today's Honkytonk is her latest choreography and is listed on Copperknob, the international line dance website based out of the UK. The singer Taulia Lave, from Hawaii, wrote the song and Jenny wrote a dance to go with the debut of it's release.

She recently organized a group to participate in the first International Line Dance Flashmob at The Ohio Valley Mall in St. Clairsville on May 5, 2025. The event was held all over the world and our group was filmed and added to the International website. It's not all about country music. We dance to all genres of music. The hardest part of line dancing is deciding to try it for the first time. It's great exercise and who can't keep from moving to a great song with a good beat?

GENERAL JUNIOR FAIR

JUNIOR FAIR RULES

Violations to rules in this book are subject to review by the Junior and Senior Fair Board to determine eligibility in the current and upcoming fair. Any misconduct or action of individuals on the fairgrounds that would be deemed unsafe or not listed/addressed in this fair tab, are subject to review by the Junior and Senior Fair Board following the procedure of 1st offense – verbal warning, 2nd offense – written warning, and 3rd offense – Ineligible to show current and following year and livestock and/or projects must leave the grounds immediately. Eligibility for future fairs will be discussed by both boards after removal from grounds. Belmont County Sheriff's Department will assist in any matter that is deemed necessary by Junior Fair Coordinator(s) and/or Senior Fair Board. Dismissal from participating in current fair and removal from grounds may come before written warnings when deemed necessary by both Junior Fair Board and Senior Fair Board (Belmont County Sheriff's office used as needed).

Participation in the Belmont County Fair as a Junior Fair member is both a privilege and an opportunity to showcase accomplishments, interests, and values. All projects must be created within the current registration year and specifically completed to fulfill the requirements of the Junior Fair organization.

Youth who exhibit a project or display an animal at the fair are eligible to receive armbands to cover the cost of daily admission. The price is \$5.00 per registered Junior Fair member and \$10.00 per approved adult volunteer. To qualify, all registration details, armband requests, and fees must be submitted to the Senior Fair Board Secretary by 5:00 p.m. on August 1 of the current year. No exceptions will be made.

Armbands must be requested for exhibitors and approved volunteers through a single Junior Fair organization. County fair exhibits are voluntary and are only for members who have completed their projects.

- All trophy & award winners must submit a "Thank You" note to their trophy sponsor. "Thank you" notes are available at the Junior Fair Board Office.

(This rule does not pertain to horses).

Once an exhibitor enters a class with an animal for showmanship, he/she may not switch animals for the class.

The first-place winners from Junior, Intermediate, and Senior showmanship classes of the current year will compete for the Master Showman. The winner of the Master Showmanship classes will be the Top Showman of the species. Once the Master Showman is selected, the showman who placed 2nd to that showman will enter the ring. This process will continue until the Top 5 Showmen of the species have been selected. Only showmen who placed 1st, 2nd, or 3rd within their respective age divisions from Junior, Intermediate, and Senior showmanship categories will be eligible to participate in the Top 5 Showmen selection. This is the order of showmen that will be used to determine eligibility for the Showman of Showmen contest. Only the Master Showmanship winner will receive an award.

SHOWMAN OF SHOWMEN CONTEST RULES/PROCEDURES

1. Girl Scouts consider participating in the Belmont County Fair a privilege and an opportunity to share interests, accomplishments and ideals. All entries must exhibit high quality in effort, originality and neatness. Entries should reflect, overall, the Girl Scout program and its ideals. Each girl's entry will be judged on its own merits and not against other entries. The age or program level of the Girl Scout and the degree of difficulty and skill will be noted.
 2. Fair entries should be an outgrowth of a good Girl Scout program in a troop or camp or showcasing the progress of each individual girl in pursuit of a hobby or interest. Projects must be made during the current registration year to be entered and must not have been entered in any previous Belmont County Fair.
 3. Judging ribbons will be awarded to each entry brought to judging according to degree of excellence: First Class - Excellent; Second Class - Well Done; Third Class - Good. The criteria will be "Is this an average, good or excellent job of workmanship and creativity? Does it reflect the Girl Scout Program? How much did the girl learn or grow in doing her project?" A Girl Scout's satisfaction will be in knowing she did her very best.
 4. All entries, including booth entries, must be in place by 12 noon on Monday, September 1, 2025, to be considered for a judging ribbon or booth award. All entries must be pre-registered prior to the deadline (August 1 of the current year). Items or booths displayed in Junior Fair brought after judging date and time will receive participation ribbons only.
 5. Each exhibitor is permitted to enter more than one project; however, only one judging ribbon will be awarded per exhibitor.
 6. Group projects, entered in the fair by at least 3 girls working together in the same program level, will be considered, and judged separately from individual projects, with a judging ribbon being awarded to the project and not to each individual working on that project. Scrapbooks or posters put together by adults are not eligible.
 7. All entries, including group projects, must have 3X5" entry judging cards attached to qualify for judging. The cards must contain the following information: Name(s), Troop Number, Level, Age(s), Project Name, Leader Name. Without this card attached, the entry will not be judged. Cards will be distributed to troop leaders by the Girl Scout Advisor to the Junior Fair once registration information is received.
 8. Exhibits are always under the supervision of competent persons and every effort will be made to protect them from loss or damage. However, neither the management of the Belmont County Fair nor Girl Scouts U.S.A., will be responsible for any loss or damage to exhibits.
 9. Special Instructions:
 - ART ENTRIES-** All painting, drawing, photographs, poetry, etc., must be of the original work of the girl submitting it. Murals that can be rolled will be exhibited only if space permits. All artwork, wall hangings and photography are to be matted or framed in some suitable form for exhibit, and ready to hang with wires, cords, etc., securely attached.
 - COOKING ENTRIES-** All exhibits must have recipes attached (ingredients and directions). Cakes and breads must be entered in whole and will be cut for judging. Cookies, candy, or cupcakes must have at least 6 pieces submitted for judging. For displaying at the fair, items must have a replica or picture of the judged item on a paper plate with a recipe attached. Nonperishable food can be used on display.
 - SEWING OR WEARABLE CRAFT ENTRIES-** All articles of wearing apparel, including jewelry or hair ornaments, must have a snapshot attached showing the article worn or modeled.
 - POSTER ENTRIES-** All poster exhibits may be no larger than 22"X 28".
- Booth exhibits will be judged according to the following point system:

SCORE CARD

1. General Appearance: well balanced, attracts attention, presents idea clearly, neatness (40 Points)
2. Material: quality of exhibit, attractive display of organization name (30 Points)
3. Effectiveness: presents original/unusual/striking ideas relating to displayed work, development of selected theme (30 Points)
