

2026 OFFICIAL COUNTY FAIR BOOK

Advertising Opportunities

Choose from five county
fair books and reap the benefit of
multiple ad discounts!

Dear Community Supporter,

Plans are well under way for annual County Fairs! Although the fair takes place later this year 4-H and FFA exhibitors are already busy planning and caring for their projects. The knowledge & experience gained and skills learned in the course of any project are invaluable as they enter adult life and the workforce.

Now is your chance to support kids on a local level while gaining exposure for your business by securing an ad space in the annual fair books. Reach the agricultural families and beyond by providing 4-H & FFA families with all the details they need to know for a successful fair.
